Privacy Notice

Health Wealth Safe, Inc. (“HWS”) offers you a Medical Records Bank service (the “Service”) and is committed to protecting the privacy and security of the sensitive health information that you entrust to us. We want to be fully transparent about how we use and share your information. We will not share your identifiable or de-identified information without your consent, other than as necessary to provide you with the Service, operate HWS, or as required by law. Our business model is to provide you the service without charge if you consent to share your de-identified information for research purposes. Anyone who receives your de-identified information would have to agree to not re-identify it. It is your choice, we will not disclose or sell your identifiable data without your consent, other than as necessary to provide the service, operate the company, or as required by law.

The following privacy notice provides more details and is based on the U.S. Department of Health and Human Services 2018 Model Privacy Notice at <https://www.healthit.gov/sites/default/files/2018modelprivacynotice.pdf>. By using this model, we hope that you will find the notice easy to understand and easy to compare with others. If you have any questions about how we handle your information, please email us at info@healthwealthsafe.com and we would be happy to answer them.

This notice is specific to the Medical Records Bank service. For information about the privacy of information that we collect through the healthwealthsafe.com website, please view our website privacy policy at <https://www.healthwealthsafe.com/privacy-policy>.
